ABOUT THE ISHRS

The International Society of Hair Restoration Surgery (ISHRS) is a global non-profit medical association and a leading, unbiased authority in medical and surgical hair restoration with more than 1,200 members throughout 70 countries. Founded in 1993, it was the first, and is now the largest, international society to promote continuing quality improvement and education for professionals in the field of hair restoration surgery. Members have backgrounds in varying medical specialties including dermatology, plastic surgery, general surgery, and more.

The cornerstone of the ISHRS continues to be the annual world congress and the Forum publication. Both provide an accepted international forum for information exchange and rapid diffusion of new and innovative surgical techniques and instrumentation technology.

The ISHRS is accredited by the Accreditation Council for Continuing Medical Education (ACCME), which is the agency responsible for sanctioning medical education for physician licensure in the United States. The ISHRS holds a seat in the American Medical Association House of Delegates, which is considered “the House of Medicine” in the United States and one of the most important groups to effect standards and legislation. The ISHRS is a liaison organization member of the Comité Européen de Normalisation (CEN) [European Committee for Standardization] task force 403 “Aesthetic Surgery Services” where it assists with developing standards for hair transplantation among countries within the European Union.

Above all, the ISHRS is dedicated to achieving excellence in medical and surgical outcomes by promoting member education, international collegiality, research, ethics, and public awareness.

The ISHRS is a member of and leads the Global Council of Hair Restoration Surgery Societies which is comprised of 23 national and regional societies. Numerous countries’ Ministries of Health have contacted the ISHRS in the past for expert information on industry standards.

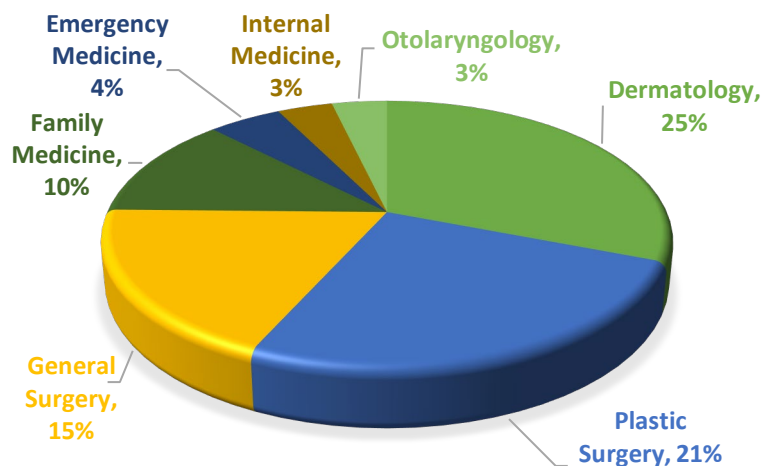

The ISHRS is the leader in hair restoration surgical statistics and trend data. See its 2022 Practice Census Survey results. The ISHRS has been

cited in numerous major news outlets, publications, and receives much press since it is the most trusted source for unbiased information and the best education in the field of hair restoration surgery.

A large part of the ISHRS’s effort is dedicated to ensuring the safety of patients and developing methods to minimize risks to patients while meeting the expectations of patients. The ISHRS has published and maintains FUE Clinical Practice Guidelines, Core Curriculum in Hair Restoration Surgery, and Core Competencies in Hair Restoration Surgery.

The ISHRS is dedicated to facilitating the training of physicians. The ISHRS has a Fellowship Training Program, enduring educational materials and online resources, and offers numerous meetings that include lectures and surgical workshops. The ISHRS holds its biggest event, the annual ISHRS World Congress, around the world. Several of the countries in which it has organized meetings and live workshops include: United States, Australia, United Kingdom, Greece, Japan, South Korea, United Arab Emirates, Canada, Mexico, Malaysia, Thailand, The Netherlands, Czech Republic, Belgium, Poland, Spain, Italy, and India. Its faculty are world-renowned and the top experts, innovators, and pioneers in the field. The faculty and leadership are those physicians who write the textbooks in the field and author the most important journal articles. The majority of faculty have been in the field for 20+ years.

\$2,500 USD for an envelope (with one page inserted) or one-page flyer, or \$3,500 USD for a larger item for non-exhibiting companies.

Take advantage of the opportunity to catch the attention of the ISHRS meeting attendees by organizing a room drop. Room drop items are delivered directly to each attendee’s hotel room at the official meeting hotel, the Sheraton Denver Downtown Hotel. This is a great way to:

- Invite them to your booth
- Feature show specials
- Highlight a new product
- Educate attendees on the uses and benefits of your products and services
- Show your commitment to the ISHRS

HOW IT WORKS:

The room drops will be delivered to all ISHRS room block guests at the Sheraton Denver Downtown Hotel only and will occur on one day only, **Thursday, October 17, 2024**. This is not an exclusive offer – all ISHRS room drops will be made on that day. The drop will go to ALL rooms in our ISHRS block at the Sheraton Denver Downtown Hotel, which will be approximately **340 guest rooms**, dependent upon final attendance.

**In addition to the above fee, you will be responsible for producing your own room drop materials and delivering them to the hotel by the date required in a ready to deliver state. You will also be required to pay the Sheraton Denver Downtown Hotel’s room drop fees, which are currently \$5.00 USD per room for items that will fit under the door and \$10.00 USD per room for items to be delivered in the room, as well as any receiving/handling fees your items may incur at the Sheraton Denver Downtown Hotel. After your Room Drop Agreement is accepted by the ISHRS, the ISHRS will provide information on how to proceed.*
